

Player Rotation

PRACTICING THIS ROTATION IN PRACTICE IS SOMETHING THAT SHOULD BE DONE CONSTANTLY. REPETITION IS KEY. ON OFFENSE, THE ONLY PLAYER THAT RUNS THE BALL IS THE RB (GREEN CONE). SINCE EVERY PLAYER ON OFFENSE WILL RUN THE BALL BEFORE ROTATING, THE RB WILL LEAVE THE FIELD AFTER THEIR RUN. THEN THE NEXT PLAYER ON THE BENCH WILL MOVE TO THE BLUE CONE. OFFENSIVE PLAYERS ARE NOT TO TRY AND PULL THEIR OWN TEAMMATES FLAGS. THIS IS SOMETHING THAT THEY SHOULD BE REMINDED OF REPEATEDLY BEFORE EACH SNAP. AGAIN, PRACTICE AND REENFORCE IT AS MUCH AS POSSIBLE IN PRACTICE SO THAT IT IS EASIER FOR THEM IN THE GAME.
